

# GRAUMAN'S CHINESE THEATRE

*Hollywood*

## "WURLITZER"

on an organ represents the highest term of expression applied to organs. Every showman regards the Wurlitzer with admiration for its dependability and versatility; every discriminating organist speaks of the Wurlitzer with enthusiasm and eloquence.

WURLITZER Residence Organs, Church Organs and Auditorium Organs

The same recognition of superiority accorded the Wurlitzer Theatre Organ is also conceded to the Wurlitzer Residence Reproducing Organ—each a masterpiece in construction and tonal beauty—each type of organ distinctively designed for each installation.
