MAKING PATRONS COMFORTABLE  
AT THE LOS ANGELES ORPHEUM!

THE Orpheum Circuit desired that the seats for their beautiful Los Angeles Orpheum provide a luxurious measure of comfort to patrons. After thoroughly investigating the merits of various theatre chairs, they selected the Heywood-Wakefield design shown above, because of its beauty and restful comfort. They knew that this de luxe chair would serve well because they purchased a similar chair for the Chicago Palace Theatre last year.

This beautiful design is but one of a long line of comfortable theatre chairs about which we will be glad to tell you.

Send for your copy of our new booklet "Heywood-Wakefield Seats the Roxy." This interesting pamphlet illustrates and describes in detail the Heywood-Wakefield seating in the Roxy Theatre, New York City.
