Gentlemen:

The Pasadena Community Playhouse Association feels justly proud of the splendid seats that you have installed in our new Playhouse and more than elated with the satisfactory manner in which the installation was handled.

Inasmuch as the new Playhouse is one of the finest buildings devoted to community drama in the United States, we have innumerable out-of-town visitors who, while praising the beauty of the building and some of its unique features, never fail to remark about the comfort and beauty of the seats.

So, you see, we are grateful to you for your assistance in making our building the pride of the community. If a word from us will bear any conviction with a prospective purchaser, we shall feel pleased to give that word, for "one good turn deserves another."

Yours very truly,

Chas. F. Teber
